Dear Shri/ Smt,

Greetings from RIVER

Let me take the pleasure of introducing this pioneer institute of veterinary science in India, the Rajiv Gandhi Institute of Veterinary Education and Research (RIVER), founded in 1994 by the Government of Puducherry following the norms set by the Veterinary Council of India and affiliated to the Pondicherry Central University. It is one of the unique institutes imparting quality training to produce finest veterinarians for the country and our globe. This prestigious institution brings out students of high standards with high caliber and work potential. Our alumni work in different sectors, Government and Private, and are providing exemplary services. The present internship graduates are to pass out by July 2025.

In this regard I take this opportunity to invite you for the **JOB FAIR 2025**, an established annual programme to conduct and select the best potential candidate from our esteemed institution during the "Job fair 2025" on 11.7.2025 (Friday). We are sure that this Job Fair will provide an excellent opportunity to your company to build brand image and procure potential employees as per your requirement in key skill areas.

It will be a great occasion to introduce your company / services to the passing out Veterinary Graduates of this Institute and to visit the serene, green unique campus set in the beautiful city of Puducherry.

We look forward to your confirmation for participation at the earliest.

With regards,

Yours sincerely,

Dr. K. Murugavel
DEAN

Rajiv Gandhi Institute of Veterinary
Education & Research
Kurumbapet, Puducherry-605 009.
